

Analysing the perspectives of people in the past

Name: _____ Date: _____

What are the event(s) and time periods you are investigating?

List the various groups and people involved, and circle the one that you are recording on this page (use additional copies of this page to record information on others).

Describe their position/role in society.

Evidence?

How is their position/role different from a similar person or group today?

Evidence?

Compared to how we live and what we experience today, what relevant circumstances were different for those in the past? (e.g. religion, family life, social structure and attitudes, communications, media, economy, technology etc.)

How do you think the above factors influenced their thoughts and/or actions?
