

# Storyboard

**Name:** \_\_\_\_\_ **Topic:** \_\_\_\_\_

As you read the story, write each main event in SEQUENTIAL ORDER. Place one event in each box.

The storyboard consists of two columns of seven rectangular boxes each. A central vertical line runs between the two columns, featuring a series of upward-pointing arrows. At the top of this line, a curved arrow points to the top-right box. At the bottom of the line, a curved arrow points to the bottom-left box. Within each of the 14 boxes, a downward-pointing arrow is centered, indicating the flow of events from top to bottom in each column.
